

11th Global Conference on Buddhism After Mindfulness

Urban Retreat

2 days of Meditation + Yoga + Talks + Festival

UC Berkeley Campus:

Zellerbach Hall, Lower Sproul Plaza & MLK Student Union

Sat. June 29 & Sun. June 30, 2019

On June 29-30, the Buddhist Churches of America (BCA) will join Buddhists and non-Buddhists alike from around the Bay Area and the world at UC Berkeley to ask the question "What's After Mindfulness?"

We will explore potential answers through a unique mix of talks from a diverse group of teachers, meditation, yoga, an outdoor festival of sharing, and a children's village for kids/families.
