## Social Welfare Fund

Dear BCA Members and Friends,

It is with sincere hope that this letter finds you and your loved ones enjoying good health.

The COVID-19 pandemic and ongoing environmental disasters have strained the economic security of countless people as well as the charities constantly called to action.

The Social Welfare Fund is dedicated to supporting the needs that have arisen during these challenging times, including:

- Food programs, which have seen major increases in requests for assistance
- Western region wildfire disaster relief
- Charities connected to local temples. We encourage temples to apply for our donation matching, volunteer program, and direct aid grants.

Because of your compassionate *dana* throughout the years, the BCA Social Welfare Fund has been able to help people all around the world. We humbly ask for your continued support of this fund. Together as a *Sangha*, we can make a meaningful difference in the lives of many.

Gassho 合掌,

Rev. Marvin Harada  
Bishop

Dr. Kent Matsuda  
BCA President

Celeste Sterrett  
Social Welfare Chair
