

Transgender Day of Remembrance Memorial Service

Please join us for a memorial service as we hold in our hearts the lives of the transgender people who were lost last year.

By holding this service, we are expressing our love and support of the transgender community and that we will not forget our transgender family. Their lives are sacred, and we acknowledge the discrimination, erasure, and violence that our transgender friends and family face every day.

Date/Time:

Friday, November 20th
6:30-7:30 PM

Online service hosted by:
Berkeley Buddhist Temple
Accessible via the temple's
Facebook and YouTube pages
